AIR CONDITIONER

# ABOUT DCC AIR CONDITIONER

---

## WHO WE ARE!

25 YEARS OF EXPERIENCE, COUNTLESS SATISFIED CUSTOMERS IN MORE THAN 10 COUNTRIES IN THE WORLD!

### The World of **DCC** Air Conditioners!

Created by the largest Air Conditioner manufacturers globally, DCC units enjoy a sound reputation of exceptional quality and outstanding performance!

### Our Mission!

**Dcc** aims at offering the Air Conditioning professional and end-user, top quality products at competitive prices. We offer products and services flexible to meet the specific needs of any individual, this is «Your Conditions». Our wide product range mix is continuously updated; new products are introduced annually after closely monitoring the global Air Conditioning market, as well as the social and environmental trends.

### Our client is the center!

**We offer:**

- Innovative top quality products at the most competitive prices
- 5\* year warranty of excellent performance
- Unique after sales services
- Products according to specific local demands

# Smart WiFi Technology

Control your climate  
easily from wherever...  
with your Tablet  
or Smartphone

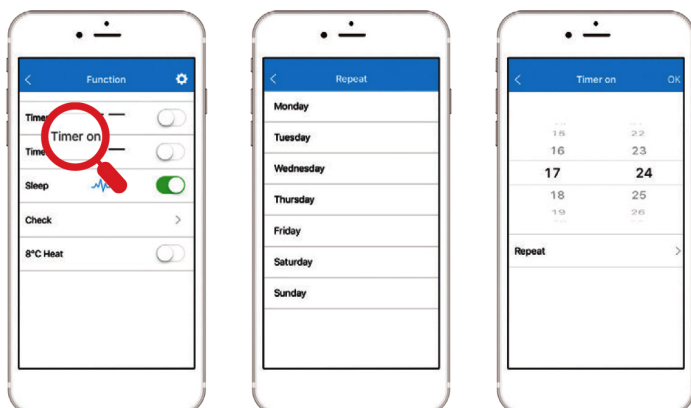

TECH FOR TOMORROW  
**DCC**  
AIR CONDITIONER

Increase or reduce the temperature of your air conditioner, from wherever you are, just with a touch of your mobile device screen, by sliding upwards or downwards depending on the desired temperatures.

Choose the mode you prefer and the mobile device screen will change color automatically.  
One color for each mode, to indicate the status of the air.

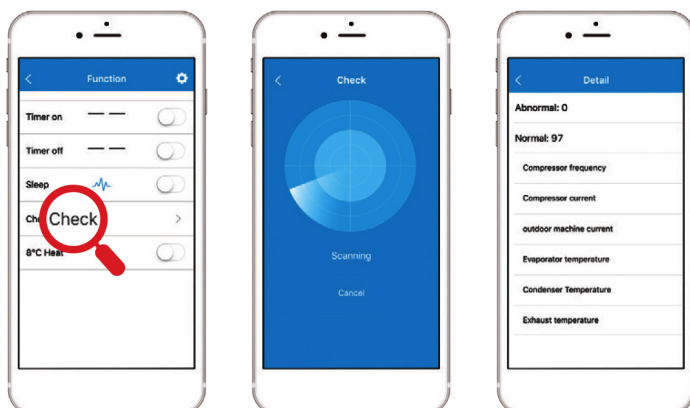

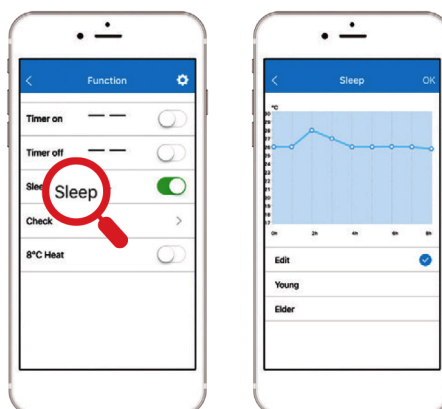

## Weekly Planner

Save energy and forget the on/off button of your air conditioner.

Use the innovative feature of Invmate II, Weekly Planner, and schedule the temperature of your home and/or office according to your plans!

## Sleeping Curve

Enjoy the ideal conditions in your room, by adjusting the temperature for every sleeping hour.

## Check Diagnosis

With the 97 checking points of the check diagnosis function, the Invmate II ensures that you will never miss a thing!

### WiFi Ready

Control your climate easily from wherever, with your Smartphone or Tablet. Download the app, Invmate II, for free via Google Play & App Store and set your temperature conditions.

### Superpower Ionizer

The Superpower Ionizer produces positive and negative ions. When these ions collide they release an enormous energy which destroys odors, dust and smoke while leaving your environment clean and fresh.

### Follow Me

A smart sensor is located on the remote control. When the iFeel function is activated the set temperature synchronizes with the smart sensor. Your set temperature will follow you wherever you and the remote go offering extra comfort and energy savings.
